REMARKS

In the Notice of Drawing Inconsistency with Specification, dated August 21, 2006, the Office noted that Figure 1 contained in the drawing is inconsistent with Figure 1A in the specification. Applicant has attached hereto a copy of Figure 1A as submitted on September 7, 2004. Applicant requests that this figure replace Figure 1 in the file so as to overcome the drawing objection. No new matter has been entered by this drawing.

Entry of the attached drawing and prompt processing of the present application for issuance are respectfully requested.
